THE BIG EAST CONFERENCE

As The BIG EAST Conference enters the 2002-03 season, only the 24th in its history, it takes pride in its long list of accomplishments. Providing opportunities to excel amongst the nation's best, both athletically and academically, continues to be its mission. There was plenty of evidence of that mission being accomplished during

the 2001-02 season. The BIG EAST had undefeated national champions in football and women's basketball, 32 student-athletes who earned Academic All-America honors, and two student- athletes who were named the national player of the year in their sports.

Miami won the Rose Bowl to cap a perfect 12-0 season for its fifth national title and second for the league. The Connecticut women's basketball team garnered its third national title with a record-setting 39-0 mark. That national championship gave the Conference a three-peat in women's basketball following the Huskies' second title in 2000 and Notre Dame's crown in 2001. BIG EAST teams have won 10 national championships since 1995 in six different sports.

UConn's Sue Bird was the consensus women's basketball player of the year and Erin Elbe of Georgetown was honored with the women's lacrosse player of the year award. The Notre Dame baseball team became the first conference team to play in the College World Series. The BIG EAST was the only conference to have eight teams compete in the NCAA Women's Soccer Championship.

The BIG EAST has always been able to boast that some of its best students are also some of its best athletes. Notre Dame softball standout Jarrah Myers, the 2001-02 BIG EAST/Aéropostale Female Scholar-Athlete of the Year, was honored as the Verizon/CoSIDA Academic All-American Team Member of the Year in addition to earning All-America honors for her accomplishments on the diamond. For three of the last eight years, a BIG EAST student-athlete has won the Honda-Broderick Cup as Collegiate Woman of the Year. Notre Dame soccer player Cindy Daws won in 1997-98. She followed Connecticut basketball players Rebecca Lobo ('94-95) and Jennifer Rizzotti ('95-96).

BIG EAST student-athletes have continued their success after leaving the classrooms and playing fields. Former Connecticut women's basketball standout Dr. Leigh Curl was inducted into the Verizon Academic All-America Hall of Fame in 1999. Former Georgetown men's basketball star Dikembe Mutumbo was named a winner of the President's Service Award, the highest honor in the U.S. for volunteer service. Whether it's the student-athletes or the league as a whole, moving forward successfully and exploring new horizons have been the norm rather than the exception for the conference that opened its doors in 1979. Most recently the league welcomed Virginia Tech as its 14th full member in 2000-01. In the spring of 2001, the BIG EAST added women's lacrosse to its growing list of sports and the inaugural women's golf championship will be held in the spring of 2003. When the 1990s began, The BIG EAST Conference had just completed its eighth season with nine members. The league was arguably as healthy as a conference could be. The BIG EAST was a headline-grabber immediately, especially in men's basketball, its signature sport. The BIG EAST Football Conference did not exist. The '90s was a decade of enormous change in college athletics with conferences adding new members and new leagues beginning. The BIG EAST was no different than most groups. The league has had four separate expan-

sions in the past 11 years. The BIG EAST Football Conference, with eight members, became a major player in college football immediately after its inception in 1991.

The BIG EAST became a reality on May 31, 1979, following a meeting of athletic directors from Providence College, St. John's, Georgetown and Syracuse Universities. Seton Hall, Connecticut and Boston College completed the original seven school alliance. After one season, Villanova was added and began play in 1980-81. Two seasons later, Pittsburgh joined the group and started competition in '82-83. Miami was admitted in 1990 and began BIG EAST competition in '91-92. Rutgers, West Virginia and Notre Dame joined in '94 in two separate expansions and began play in 1995 96. While the membership has increased, the focus of the BIG EAST remains unchanged. It is a group that reflects a tradition of broad based programs, led by administrators and coaches who place a constant emphasis on academic integrity. The BIG EAST Conference has enjoyed a leadership role nationally. Its student athletes own significantly high graduation rates and their record of scholastic achievement notably reflect a balance between intercollegiate athletics and academics. Any successful consortium enjoys outstanding leadership. Michael Tranghese, the league's first full-time employee, and for 11 years the associate of Dave Gavitt, took over the Commissioner's reins in June 1990. The expansion in membership is only a portion of Tranghese's achievements. In his first year at the helm, he administered the formation of The BIG EAST Football Conference in addition to coordinating the four expansions.BIG EAST sports attract the interest of followers in the nation's largest media markets including New York, Chicago, Philadelphia, Boston, Washington, D.C., Miami, Pittsburgh and Hartford. The league has long been considered a leader in innovative concepts in promotion and publicity, particularly regarding television. Those efforts have resulted in unparalleled visibility for BIG EAST student athletes. Exclusive long range television contracts with CBS, ESPN, Inc. and ABC provide BIG EAST basketball and football with more television exposure.

While BIG EAST basketball games are regular sellouts at campus and major public arenas, including the annual BIG EAST Championship in Madison Square Garden, attendance figures also are significant at BIG EAST soccer, women's basketball and baseball games. More than 475 BIG EAST athletes have earned All America recognition and dozens have won individual NCAA national championships. The BIG EAST has been well represented in U.S. or foreign national and Olympic teams, with several athletes earning gold medals in the summer Olympiads in Sydney in 2000, Atlanta in '96, Barcelona in '92, Seoul in '88 and Los Angeles in '84.

The BIG EAST has its headquarters in Providence where the conference administers to more than 5,500 athletes in 23 sports.
