The Horizon League Story

In its 28th year, the Horizon League continues to aspire toward its goal of being one of the nation’s leading athletics conferences while being recognized as a leader in the development of student-athletes as leaders and role models.

The Horizon League membership features nine public and private institutions that have impressive academic reputations and a storied tradition of broad-based athletic programs. Current membership includes Butler University, Cleveland State University, the University of Detroit Mercy, the University of Illinois at Chicago, Loyola University Chicago, the University of Wisconsin-Green Bay, the University of Wisconsin-Milwaukee, Wright State University and Youngstown State University. Valparaiso University will officially join on July 1, 2007, expanding the League to 10 members and enhancing the conference’s academic and athletic tradition, while strengthening its Midwest footprint.

The League’s primary focus is on adding value to the educational experience through its four platforms of athletic performance, academic achievement, community outreach, and personal responsibility and accountability. It is the League’s belief that athletics is a powerful and visible resource tool that can be used to enhance student-athletes’ collegiate experience. The Horizon League’s goals are to enhance the holistic university experience for the student-athlete, to create an affiliation of institutions with similar athletic goals, and to adhere to the principals of integrity, diversity, excellence and growth.

The Horizon League sponsors competition in 19 sports – nine for men (baseball, basketball, cross country, golf, soccer, swimming and diving, indoor track and field, outdoor track and field and tennis) and 10 for women (basketball, cross country, golf, soccer, softball, swimming and diving, indoor track and field, outdoor track and field, tennis and volleyball). In all sports, all teams participate in their respective postseason League championships regardless of regular-season performance, allowing all student-athletes an opportunity to qualify for NCAA championships. The League receives automatic bids to NCAA championships in baseball, men’s and women’s basketball, men’s golf, men’s and women’s soccer, softball, men’s and women’s tennis, and women’s volleyball.

The Horizon League is headquartered in Indianapolis, the “Amateur Sports Capital of the World,” with offices in the Pan American Plaza (201 S. Capitol Avenue), located across the street from the RCA Dome and just blocks from Conseco Fieldhouse, the State Capitol Building and the NCAA national office.

A PROUD HISTORY

Founded in 1979 as the Midwestern City Conference with six charter members, the League changed its name to the Midwestern Collegiate Conference in 1985 and added women’s sports for the 1986-87 academic year. Charter members of the conference included current members Butler and Loyola as well as the University of Evansville, Oklahoma City University, Oral Roberts University and Xavier University. Among other current members, Detroit joined in 1980 and Cleveland State, UIC, UW-Green Bay, UW-Milwaukee and Wright State came aboard in 1994 in the largest non-merger conference expansion in history, and Youngstown State joining in 2001.

On June 4, 2001, the Horizon League unveiled its current name and ushered in a new dynamic direction that has brought the League closer to its stated goal of being one of the nation’s top 10 conferences with a focus on enhancing the student-athletes experience by upgrading the League’s market and competitive positions.

ATHLETIC SUCCESS: In the past few years, the Horizon League has enjoyed unprecedented success on the national stage, highlighted by two Sweet Sixteen appearances (Butler 2003, UW-Milwaukee 2005) and five wins in the NCAA Men’s Basketball Championship in the past four seasons, including Milwaukee’s victory over the University of Oklahoma last March. In other sports, League teams have won at least one game in their respective NCAA Championship events of the last four seasons in men’s soccer (UW-Milwaukee 2002-05) and four of the last five in softball (UIC 2002, 2004; Wright State 2003; UW-Green Bay 2005) while advancing into the second round in women’s soccer each of the last two (Detroit 2004, UW-Milwaukee 2005). Butler’s Victoria Mitchell became the League’s first NCAA individual champion when she won the 3,000-meter steeplechase at the 2005 NCAA Outdoor Track and Field Championships and then finished fourth at the 2005 NCAA Cross Country Championships in leading the Butler women to a 24th-place national finish. In addition, the Butler men placed 25th, while Loyola came in 31st.

ACADEMIC SUCCESS: Horizon League student-athletes also excel in the classroom as more than 500 have been named to the Academic Honor Roll each of the past three semesters for carrying a grade-point average of 3.25 or better. Thirty-five student-athletes were named to ESPN The Magazine/CoSIDA Academic All-District teams in 2005-06 and 11 earned Academic All-America honors, including two first-team selections.

COMMUNITY SERVICE: In addition to its athletic success, the Horizon League has secured a well-earned reputation for its community service initiatives. Each January, member institutions partner with local elementary schools for an art, music and essay contest highlighting the life of Dr. Martin Luther King, Jr. with winners recognized at League games on the weekend of MLK Day. The Horizon League Student-Athlete Advisory Committee also has continued a tradition of working with youth at the Kaleidoscope Youth Center in Indianapolis during its annual summer meeting. On campus, student-athletes have raised money and awareness for such causes as breast cancer, diabetes and hurricane relief, while hosting blood drives, neighborhood clean-ups, Big Brother/Big Sister programs and more.

SPORTSMANSHIP: One of the Horizon League’s points of emphasis is fostering collegial environments for competition among student-athletes, coaches, administrators and fans in a pro-active approach. Among the vehicles is the Ethical Conduct Pledge, which is signed each season by student-athletes, coaches, officials, and campus and League administrators. Its purpose is to make all the involved groups aware of the Horizon League expectations of behavior during conference events.

DEMOGRAPHICS: Horizon League institutions boast a combined enrollment of more than 130,000 plus nearly 700,000 living alumni centered in the League’s Midwest footprint. League media markets include five of the nation’s top 35 in Chicago, Detroit, Cleveland, Indianapolis and Milwaukee, covering more than nine million television households and encompassing nine percent of the nation’s television audience.

GOVERNANCE: The Horizon League is governed by a Board of Directors comprised of the member institutions’ chief executive officers. Dr. Kim Goldenberg, retiring President of Wright State, serves as Board Chair through Dec. 31, 2006, when he will be replaced by incoming WSU President, Dr. David Hopkins. Mike Cusack, Director of Athletics at Wright State, serves as chair of the Executive Council and Keri Gaither, Associate A.D./SWA at Detroit, is the Second Delegate, while Dr. Sylvia Furner of UIC serves as chair of the Faculty Athletics Representatives.

LEADERSHIP: Jonathan B. (Jon) LeCrone is in his 15th year as Commissioner of the Horizon League, having been named to the position on May 11, 1992, and is the tenth-longest tenured commissioner in Division I. He is the fifth commissioner in League history, succeeding Daniel B. “Tucker” DeEdwardo (1989-92), James W. Shaffer (1984-89), Cecil N. Coleman (1980-84) and James J. McCafferty (1979-80). LeCrone currently is in his fourth year of a five-year term on the 10-member NCAA Division I Men’s Basketball Committee that handles the rules of the game and oversees and selects teams for the national championship.

VISIBILITY: The Horizon League has enhanced its media visibility with a number of initiatives. The League is in the second year of a new five-year agreement with ESPN that includes selected regular-season men’s basketball action (ESPN2) and the men’s championship game (ESPN) and features increased exposures each year on ESPNU plus inclusion in the annual BracketBusters, one of college basketball’s premier in-season events. The League also is a leader in video streaming, and debuted a partnership last year with CSTV.com that aired more than 150 free, live men’s and women’s basketball regular-season and tournament games. The League will launch the Horizon League Network (HLN) in late 2006 with a goal of 200 free, live events plus auxiliary specialty programming available only on the League’s official web site at www.horizonleague.org.

VALPO JOINS IN ’07: On May 17, 2006, Valparaiso University accepted a membership invitation to join the Horizon League, marking the first membership change since Youngstown State joined in 2001. The Crusaders will compete in 17 of the League’s 19 sports beginning with the 2007-08 academic year. Valpo’s athletics history is highlighted by seven appearances in the NCAA Men’s Basketball Championship from 1996-2004, including a dramatic trip to the Sweet Sixteen in 1998.

McCafferty Trophy: The Horizon League annually awards the McCafferty Trophy in recognition of its all-sports champion in honor of its first commissioner, James J. McCafferty. UW-Milwaukee captured its third consecutive McCafferty Trophy – and fourth in the past six years – in 2005-06 on the strength of seven League championships. Eight of the League’s nine schools won at least one championship last year.
